Can I submit a resume in place of an application?

No, a complete application is required for each position you wish to apply for. You may attach a resume to your application.

How does the recruitment process work?

When a job opening occurs, the Human Resources Department conducts the recruitment process to develop an eligibility list. The process may consist of one or more of the following:

- Application Review
- Written Exam
- Performance Exam (Ex. Typing test)
- Panel Interview
- Physical Exam and Drug Screening

The top three candidates from the list are interviewed by the hiring department. The eligibility list then remains in effect for one year
