

Rental Housing Inspection Program

Second notices (first notices were mailed in June 2013) were mailed in October 2013 to owners of income property in the City of Covina that did not respond to the first notice by registering their rental property or applying for an exemption from the program. Third notices and citations will commence in January 2014 for property owners that do not comply with the program or receive an exemption. Administrative Citations with increasing penalty amounts will continue in 30 day increments for properties that do not comply. Click [here](#) for information on approved fees.
