

Major Functions

The Housing and Community Development Division distributes and monitors programs funded by Federal Community Development Block Grant funds. Some of these programs receive additional funding from the City of Covina General Fund. The services provided by this division are for the benefit of low- to moderate-income persons and special federally-designated groups, such as the illiterate, the elderly, and the severely disabled. Funds may also be spent to alleviate slum and blight conditions. Additional Information Any public service agency or group which is interested in requesting Community Development Block Grant funding may request an application in October for funding for the following fiscal year, which will start on July 1.

The regular meetings of the Housing and Community Development Advisory Committee are scheduled at 7 p.m. on the second Wednesday of January, February, May, September, November, and December in the Conference Room of the Finance Department at 125 East College Street. The public is welcome. Please call (626) 384-5443 in advance of the meeting to verify time and date and meeting place.
