

The Covina Concert Band was founded in 1956 and currently under the direction of Tom Ridley. Concerts take place at Covina Park every Thursday evening, throughout the summer season, and the band also performs in many events in Covina and surrounding communities throughout the year. All concerts are presented free of charge.

Over 40 musicians donate their time and talent to the band. Year-round rehearsals are every Monday at 7:30 pm. For more information on Covina Concert Band, visit their [website](#) or call (626) 332-0020.
