

San Bernardino Freeway (I-10) High Occupancy Vehicle Lane Project

Ramp Closures as Part of 10 HOV Construction Project

UPDATE – New Ramp Closure Start Date

Westbound I-10 Grand Avenue Long-Term Ramp Closures

West Covina – The California Department of Transportation (Caltrans) will close the westbound San Bernardino Freeway (I-10) Grand Avenue on- and off-ramps beginning Monday, August **22** as part of the High Occupancy Vehicle lane construction project. Motorists attempting to access I-10 may experience delays and are encouraged to use alternate routes. The ramp closures will remain in effect through late 2016.

Detour signs will be posted. Guy F. Atkinson Construction, LLC. is the contractor of this \$195 million project, which will add an HOV lane in each direction of I-10 between Citrus Street and SR-57. This is the final of three projects that upon completion will offer one continuous HOV lane from downtown Los Angeles to San Bernardino County.

For real time freeway traffic information please visit the Caltrans Quickmap, quickmap.dot.ca.gov

Caltrans thanks you for patience and understanding during construction and reminds you to “**Be Work Zone Alert.**”
