--	---

The purpose of this master sign program is to establish a coordinated sign guideline that provide each tenant adequate signage to be executed in the manner of high quality and consistency. This sign criteria will be strictly enforced. Any non-conforming signs shall be removed at tenant's expense.

A. GENERAL INFORMATION & REQUIREMENT

1. Tenant shall be responsible for the costs of all signs, including installation and maintenance. Each tenant shall obtain and pay for all necessary City building and electrical permits of the approved signage prior to fabrication and installation.
2. At expiration or early termination lease, tenant shall remove his/her sign and return the affected areas to the original condition within a ten day period. The Landlord reserves the right to hire contractors to have the required work done at tenant's expense.
3. All signs shall be manufactured and installed per City's building and electrical code. Underwriter Laboratories Section and place "Electric Sign Section" labels in an inconspicuous location.
4. Each licensed sign contractor shall be responsible for the fulfillment of all requirements and specification here set forth, completion of the installation in a workmanlike manner, clean up, patching and painting of any surface damage that the tenant sign contractor may have caused. Tenant shall notify Landlord within one (1) day of any defects in writing before work commencement.
5. Each tenant shall be fully responsible for all the actions of the tenant's sign contractor with respect to the installation of tenant's sign.
6. After installation, all penetrations of exterior shall be sealed watertight, in color and finish to match adjacent material. Final inspection by the City's Building and Safety Department is required in terms of signing off tenant's work after penetration.
7. Tenant's sign contractor shall connect sign display to the junction Boxes that provided by the landlord's C-10 licensed electrician

B. INSURANCE

The licensed sign contractor shall carry Workmen's Compensation and Public Liability Insurance in the amount of \$2,000,000.00 per occurrence against all damages suffered or done to any and all persons and property while engaged in the construction of erection of signs.

THE ADDITIONAL LIABILITY INSURANCE POLICY _____ AS AN ADDITIONAL INSURED AND SHALL BE SUBMITTED TO THE LANDLORD BEFORE THE SIGN IS INSTALLED.

C. PERMIT PROCEDURES AND APPROVAL

1. Prior to the installation, alteration, or maintain signage upon commercially zone property, an approved sign permit shall be obtained from the Covina Planning Division per chapter 17.74 of Covina Municipal Code.
2. All sign drawings presented to the Planning Division shall comply with chapter 17.74 of the Covina Municipal Code, and amended time to time.
3. All signage installed or maintained in the plaza Commercial Zone Shall comply with the established sign criteria of Citrus Town Center.
4. Application for a sign permit shall be made to the Covina Planning Division on forms provided and shall be accompanied by three (3) complete sets of the following material:
 - a. Plot Plan - dimensioned and scaled, indicating the location and size of any building or structures on the property, both existing and proposed;
 - b. The location of off-street parking facilities, including points of entry and exit for motor vehicles where directional signs may be proposed;
 - c. The position of the proposed sign and its relation to adjacent buildings and structures;
 - d. The design and size, colors proposed and proposed location of the sign or sign structure on the property;
 - e. A statement showing the sizes and dimensions of all other signs existing on the property;
 - f. A statement showing the relationship of such sign or sign structure to the appearance and design of existing or proposed buildings and structures on the property
 - g. Such other information as the planning Division may reasonably require to secure compliance with the ordinances of the city.
 - h. Any sign permit and the three (3) complete sets of sign plan must be signed and approved by the Landlord before submittal to the City of Covina.
 - i. Sign permits, building permit and other permits must be approved by City of Covina prior to installation.

D. PROHIBITED SIGN TYPES

1. Animated signs, with exemption for time and temperature;
2. Cabinet formed type of sign;
3. Emitting signs;
4. Temporary paper, cloth or plastic types of nonpermanent signs and signs that are not approved as part of a special events permit;
