PARKS & RECREATION DEPT.

Director's Message

Greetings Covina Families!

It's hard to already be thinking about Fall events and programs, especially when it is 100 degrees outside! That's what happens for the Parks & Recreation and Library Services team every year though. Staff have been busy putting together a great schedule for the upcoming months, with something for all our residents to enjoy!

In addition to a wide variety of classes, sports, day trips, senior programs, and Library programs, the Fall is full of outstanding special events! In October, Thunderfest roars back into downtown with over 200 cars and incredible music, and then it's time for all the spooky fun-filled Halloween activities! Our Police Department also hosts their annual National Night Out in October. In November, our Rotary Club honors Veterans with the Field of Valor, and then later in the month we kick-off the holiday season with another special Tree Lighting event. The holiday celebrations continue with decorating contests, a Snowman Stroll, a Christmas concert, and the 73rd Annual Covina Christmas Parade!

So many awesome things are happening around town. In June, we cut the ribbon to open Covina's own Skate Park! Be sure to check out the new Skateboarding classes being offered. At the beginning of September, we will unveil the new and improved Hollenbeck Park, which will include a rubberized walking track, fitness stations, a new basketball court and beautiful garden areas. Also in early Fall, we will break ground for the gymnasium at Recreation Village!

As always, we continue to encourage our residents to communicate their thoughts and opinions, as your input is essential to our mission. Please contact us at parksandrecreation@covinaca.gov or (626) 384-5340. On behalf of the entire Parks & Recreation and Library Services team, I hope you all enjoy the last weeks of Summer as we look forward to some cooler weather and a Fall filled with great activities!

Warmest regards,

Lisa Evans, Director of Parks & Recreation and Library Services

1250 N. Hollenbeck Ave. | (626) 384-5340

Office Hours: Mon.-Thu. and alternate Fridays, 9:30 am-5:30 pm

Open Fridays: 8/23, 9/6, 9/20, 10/4, 10/18, 11/1, 11/15, 12/13

Rolling out this fall... **REC & READ COVINA!**

Rec and Read Covina! brings library and recreation services out of their facilities and directly into Covina communities. This mobile unit will feature story times, art and crafts, physical activity, Wi-Fi access, and a mobile library! Join us at one of our stops to play games, check out books, make crafts, and more! There is something fun for all ages to enjoy!

Tree Roots and Sewer Laterals

Trees require water and nutrients in order to survive and will seek out the easiest source for both. Generally, when roots encounter the sewer lateral, nothing will happen because they will grow over and around the lateral. However, if there is a leak, however small, tiny hair-like roots will enter the lateral and rapidly grow on the nutrient rich material. Eventually, these roots may block the lateral and back-up the system. As the homeowner, in order to prevent root intrusion, please maintain and ensure the integrity of your sewer lateral.

What are the Homeowner's Responsibilities?

Homeowners are required to maintain the lateral from their home, to the main sewer line, typically located in the street, which includes the portion that may be located within the City right-of-way (under the roadway, parkway tree, and sidewalk). Maintaining the lateral includes keeping the lateral line flowing and free of debris such as tree roots. Parkway trees will not be removed solely for roots in sewer laterals.
