

The City’s evaluation team including a third-party evaluator, Urban Futures Inc., has completed evaluations for the Covina Cannabis Permit Program received by the City of Covina. The results are available to the general public for download below. The list is in alphabetical order with the business name provided as listed on the cover sheet of the application and the scores received in the far right column.

The City received 10 applications by the deadline. Two proposals were not passed in to Phase 2 of the screening. Applicants that scored 1600 points or higher out of 2,000 were invited to participate in Phase 3 of the evaluation.
