

Covina Zoning Code Modernization Project

Please join us for a City Council workshop regarding the City's Zoning Code Modernization. The City's Title 17 has not been comprehensively updated since the 60's. This modernization will bring the city's code up to date, while making it easier for residents, developers, and design professionals to navigate.

What?

- ✓ Reduce 56 chapters to 14
- ✓ Simplify language
- ✓ Create tables with clear requirements
...and more
- ✗ does **not** affect current property uses
- ✗ Is **not** tied to any specific development project

When?

Tuesday, July 21, 2026
7:30 PM or thereafter

Where?

Covina Council Chambers
125 E College Street

Scan or visit <http://bit.ly/4uYQGiy> for interactive map, list of affected properties, and more

ADA accommodations, please inform the City Clerks office at least 48 hours in advance of the public meeting. (626) 384-5430
